## 32" PureForm, Backlight Control, 330W, Neutral White

32" PureForm, Backlight Control, 330W, Neutral White - 78 lm/W

Philips Gardco PureForm luminaires combine LED performance excellence and advanced LED thermal management technology with a distinct purity of style to provide outdoor area lighting that is both energy efficient and aesthetically pleasing. PureForm is defined by its high performance, sleek low profile design and rugged construction. The die cast aluminum housing mounts directly to a pole or wall, and has a maximum profile of just 3". The advanced LED optical systems provide IES Types 2, 2BL, 3, 4 and 5 distributions, as well as a Backlight Control optic. Special LEED corner cutoff optics are also available. All LED wattages utilize high performance Class 1 LED systems. The luminaire features a state of the art integral thermal control system to maximize LED performance and life, and to extend component life. PureForm luminaires are available in a wide variety of mountings and arms. All PureForm luminaires provide full cutoff performance. We are pleased to announce that the PureForm Luminaire has been named an ADEX 2012 Platinum Award Winner for design excellence.
