

LED Cobra Head Medium RX2

Medium Version, 160 LED, Type II, 530mA, 4000K

Medium Version, 160 LED, Type II, 530mA, 4000K - 106 lm/W

The RX2 LEDGINE is an excellent solution for LED Street Lighting. The RX2 LEDGINE maximizes energy savings and provides uniform and comfortable white light. The low copper, die cast aluminum housing has a traditional cobra-head style and low profile. The long lasting design is a complete solution and is environmentally sustainable. The design and performance work in several applications including city centers, downtown streetscapes, major and minor roads. The variety of options will provide a solution for replacing a variety of sources. www.lumec.com/Lumec3Dv3/home/index_en.php **Lumec3D: Online 3D Configurator**

Product data

General Information		Initial Performance (IEC Compliant)	
Lamp Source Code	LED	Luminaire Lumens	27060
Colour Temperature	4000K	Efficacy	106 lm/W
CRI	70	Product Data	
Photometric Distribution Type	Type II	Order product name	Medium Version, 160 LED, Type II, 530mA, 4000K
Mounting	Pole Arm	Order code	RX2160-G2-2NA5
B.U.G. Rating	B3U0G3	Material Nr. (12NC)	HAD80000100
Operating and Electrical		Catalog Number	RX2160-G2-2NA5
Voltages	120/208/240/277/347/480 V	Catalog Number Description	Medium Version, 160 LED, Type II, 530mA, 4000K
Luminaire Input Watts	254
