

Zenith Post Top (Z47A)

Zenith, 42 LED, TYPE V OPTICS, ACRYLIC, REFRACTIVE GLOBE, GLASS ROOF

Zenith, 42 LED, TYPE V OPTICS, ACRYLIC, REFRACTIVE GLOBE, GLASS ROOF - 78 lm/W

The classically inspired design houses state-of-the-art technology and has many features that allow its appearance to be customized and personalized. By combining high-tech optics with elements of modern design, the Zenith gives designers great flexibility and freedom. The Zenith was specially developed for lighting large areas, such as parks, public areas, and entryways. It comes with a compact floodlight that uses long arc double-ended metal halide lamps and it is now available with an EcoSwap, our new LED light engine that will provide even better longevity and energy savings.

Product data

General information		Conduit Connection	
Lamp Source Code	LED	7/8 inch knockout	
Colour Temperature	4000 K	Mechanical and housing	
CRI	70	Shape	Round
Photometric Distribution Type	Type V	Enclosure	Metal and Plastic
Mounting	Pole Top Pole Arm	Initial performance (IEC compliant)	
Number Of Pieces	1	Luminaire Lumens	5200
Operating and electrical		Efficacy	78 lm/W
Voltages	120/208/240/277 V		
Luminaire Input Watts	67		

Zenith Post Top (Z47A)

Product data	
Order product name	Zenith, 42 LED, TYPE V OPTICS, ACRYLIC, REFRACTIVE GLOBE, GLASS ROOF
Order code	Z47A-65W42LED4K-R-AC-RLE5
Material Nr. (12NC)	LUM70003629

Catalog Number	Z47A-65W42LED4K-R-AC-RLE5
Catalog Number Description	Zenith, 42 LED, TYPE V OPTICS, ACRYLIC, REFRACTIVE GLOBE, GLASS ROOF
