Durable LED light with a focused bright beam

This directional LED lamp provides a focused beam of warm, white light and is an excellent replacement for traditional reflector lamps

Application areas

- Perfect for accent lighting

High quality light

- Designed for the comfort of your eyes

Instant on

- Instant light when switched on

Light beyond illumination

- A simple LED for everyday use

Highlights

Perfect for accent lighting

This LED GU10 spot light provides a focused beam of bright light, perfect for creating extra dimension and depth with accent lighting.

Gentle LEDs, easy on the eyes

It's easy to see how harsh lighting can strain the eyes. Too bright, and you get the glare. Too soft and you experience flicker. Now you can gently light up your world with LEDs designed to go easy on the eyes, and create the perfect ambience for your home.

Instant On

No need to wait: Philips LED light bulbs provide their full level of brightness immediately when they are switched on. Just by flipping the switch, your room is at full brightness. There is no slow starting or waiting.

A simple LED for everyday use

The Philips everyday LED is the perfect bulb for your basic lighting needs. It provides the beautiful light and dependable performance you expect from LED at an affordable price.
