## Starter kit E26

Hue White

2 x E26 bulb

Warm white light

Hue Bridge included

Control with your voice

046677530334

## Automate your lights

Get your smart lighting system started with the Philips Hue Starter kit, which includes two smart bulbs with white light and the Hue Bridge for complete, custom control over your home lighting.

### Limitless possibilities

- Away-from-home smart light control
- Come home to a house filled with light
- Make it look like you're home with smart lights
- Sync your smart lights to sunrise and sunset
- Smart home automation hub: Hue Bridge
- Control lights with your voice

# Highlights

## Control lights away from home

The Philips Hue app gives you complete control over your lights, even if you're not home. Switch your lights off and on remotely using just the app to ensure your home is always lit the way you want it.

## Come home with light

Set your Philips Hue app to recognize when you're nearing home. Before you even step out of your car or walk up the path, your selected smart lights turn on automatically.

## Make it look like you're home

Use the Philips Hue app to schedule light routines whenever you're away. Your smart lights will turn on at the times you've selected • and sometimes a few minutes before or after • to truly mimic your presence in the house.

## Sync with sunrise and sunset

Coordinate your smart lights with the sun or ensure you get more light out of your day. Set timers to turn your lights on and off whenever you'd like, or simply sync your lights with the sunrise or sunset.

## The Hue Bridge

The Hue Bridge is an essential component to a personal Philips Hue smart lighting system. It is the brains of the operation, communicating with both your smart light bulbs and the Hue app to ensure that everything works together. It also enables smart home automation features like scheduling routines and timers.

## Control with your voice

When connected to the Hue Bridge, you can pair your lights with Alexa, Apple HomeKit, and the Google Assistant and control your lights using just your voice. Simple voice commands let you turn your lights on and off, dim or brighten your lights, and even set a light scene.

# Specifications

## Bulb dimensions

- Dimensions (WxHxD): 113\*62

## Environmental

- Operational humidity: 5% <H<95% (non condensing)
- Operational temperature: -10°C – 45°C

## Guarantee

- 2 years: Yes

## Power consumption

- Energy Efficiency Label (EEL): Not applicable

## Service

- Warranty: 3 year(s)

## Technical specifications

- Weight: 65
- Bulb technology: LED

## The bridge

- Frequency band: 2400–2483.5 MHz
- Max. number of accessories: 10
- Max. number of bulbs: 50
- Mounting options: Desktop, Wall
- Power adapter: 100–240 V AC / 50–60Hz
- Power consumption: 250mA max
- Diameter: 3.5 inch
- Height: 1 inch

## The bulb

- Color temperature: 2700K
- Energy efficiency label: Not applicable
- Fitting: E26
- Form factor: A19
- Input voltage: 110V–130V
- Lifetime: 25,000 hour(s)
- Light output: Warm white light
- Lumen output: 800 lm
- Max. operation power: 9.5 W
- Max. standby power: 0.5 W
- Number of switching cycles: 50,000
- Power factor: >0.7
- Rated lifetime: 25,000 hour(s)
- Software upgradable: when connected to Hue bridge
- Start up: Instant 100% light output
- Wattage: 9.5 W
- Wattage equivalent: 60 W
- Height: 4.2 inch
- Width: 2.4 inch
- Communication protocol: Zigbee
- Software upgradable: When connected to Hue Bridge

## What's in the box

- Bridge: 1
- Ethernet network cable: 1
- Hue bulbs: 2
