Highlights

Power supply and plug included

This unit pack comes with all elements you need to get started, this includes a lightstrip and outdoor power supply. So all you have to do is unpack, install where you like and turn them on.

Beautify your backyard

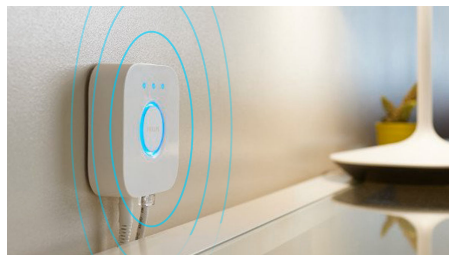

Give your garden a chance to shine as bright as your home. Over 16 million colors and 50,000 shades of warm and cool white light allow you to decorate the outside just like the inside, whether you're illuminating a walkway or shining a spotlight on your favorite part of the patio.

Smart color lights for outdoor

Set your outdoor smart lights to match your special occasions with colored light. Whether you're planning an intimate get-together or a BBQ bash on the patio, your smart lights can color the experience with your choice of 16 million colors.

Connect to the Hue Bridge

This product requires a connection to the Hue Bridge to unlock the full smart control and features. Control your lights using the Philips Hue app, set timers, routines, add or remove lights and more. *Hue Bridge sold separately

Weatherproof light strip

The outdoor light strip can withstand all weather conditions, from small puddles of water to a downpour that lasts for hours.

Flexible light strip

Completely flexible, the outdoor light strip lets you shape, bend, and manipulate it to shine its light the way you want. Line a winding outdoor path or let it meander up a wall or column; with the included clips and screws, you can install it anywhere.

Perfectly uniform and diffused

Philips Hue outdoor strip light features a special coating that diffuses, or scatters, the emitted white or colored light. There's no need to hide the light strip, whether you're using it for direct or indirect lighting • all you see is pure light.
