PHILIPS

Highlights

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to

save money on your electricity bills and do your bit for the environment.

IP44 - weather proof

This Philips outdoor light is especially designed for humid outdoor environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This outdoor light is designed with IP44: it is protected against splashing water, this product is most common and ideal for general outdoor use.
