Match your exterior style

- Designed for outdoor use – water resistant IP44

Design your garden with light

- Choose for outdoor pedestal lights

Highlights

Designed for outdoor use

This Philips outdoor light is especially designed for humid outdoor environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the

first one refers to the protection level against dust, the second against water. This outdoor light is designed with IP44: it is protected against splashing water, this product is most common and ideal for general outdoor use.

Choose for pedestal lights

Make the most of your outdoor space with this pedestal light, perfect to light your garden, the edge of your terrace or to accentuate driveways and paths.
