# Highlights

## Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long-life of at least 20,000 hours (which equals 20 years on basis of an average use of 3 hours/day with at least of 13,000 on/off switching cycles). With the Philips LED lights, you won't have to worry about maintenance or lamp replacement while having the perfect light ambience in your home.

## Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

## 5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

## Modern outdoor lighting

Impressive, bold and minimalist outdoor lighting by Philips. Philips outdoor's elegant modern style is the perfect way to grace gardens, pathways and outdoor spaces with light.

## Choose post lights

Make the most of your outdoor space with this post light, perfect for lighting your garden or patio or for accentuating driveways and paths.

## High quality material

This Philips lamp is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high-quality die-cast aluminium and superior synthetics.

## High power LED

Philips outdoor lighting uses the latest state-of-the-art LED technology. It offers strong light output, high light quality and a long lifetime.

## Powerful light

This outdoor lamp provides powerful warm white light. A bright pool of light to light up your garden or patio.

## Easy to set up

This lamp and the fittings are designed for a straightforward installation with all the useful things that you need to get up and running included in the box, like a Torx key and Torx screw. You'll find clear guidance about where you can install the product and relevant information about water-resistant IP ratings.

**Weather-proof**

This Philips outdoor lamp is specially designed for humid outdoor environments and has undergone rigorous tests to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This lamp is designed with IP44: it is protected

against splashing water. This product is most common and ideal for general outdoor use.
