Light up your outdoor life

This outdoor power supply socket is very easy to install. It provides your entire garden with energy, so you can enjoy your outdoor space without limits.

Designed for your garden

- IP44 - weather proof
- Safe and easy installation
- Bring extra power supply to your garden

Highlights

IP44 - weather proof

This Philips outdoor socket is especially designed for humid outdoor environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water.

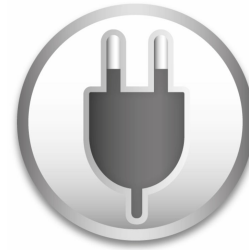

This outdoor socket is designed with IP44: it is protected against splashing water, ideal for general outdoor use.

Safe and easy installation

This Philips outdoor socket post is designed for a straightforward installation. You'll find clear guidance about where you can install the product and relevant information about water resistant IP ratings.

Extra power supply

With this separate power supply socket post you can easily bring extra power to your garden.
