Highlights

Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long-life of at least 20.000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). With the Philips LED lights you won't have to worry about maintenance or lamp replacement while having the perfect light ambience in your home.

Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

5 year warranty on LED system

On top of the standard 2 year warranty for this lamp, Philips offers 5 year warranty on the LED system, meaning the LED module and the driver in this lamp.

High quality material

This Philips lamp is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high quality die-cast aluminum and superior synthetics.

Modern outdoor lighting

Impressive, bold and minimalist outdoor lighting by Philips. Philips outdoor lighting's elegant modern style is the perfect way to grace gardens, pathways and outdoor spaces with light.

Full choice of applications

Philips outdoor lighting offers several applications to cover broad lighting needs : Wall, pedestal, ground spots, recessed spots.

High power LED

Philips outdoor lighting uses the latest state-of-the-art LED technology. It offers strong light output and high light quality and long lifetime.

5 year warranty on LED system

On top of the standard 2 year warranty for this lamp, Philips offers 5 year warranty on the LED system, meaning the LED module and the driver in this lamp.

Designed for outdoor use

IP44 protection means this light is designed for outdoor use, so you can be sure that Philips outdoor lighting will brighten up your garden come rain, shine or snow. And it uses best in class Philips power LED technology that is very easy to maintain, plus extremely long lasting.

Welcoming & reassuring light

The motion sensor switches on automatically when you come home and informs you when someone arrives.
