Illuminate your garden at night

Philips myGarden Fresco recessed spot has beautiful LED light to show garden features at their best, or illuminate dark areas clearly. It is constructed from durable metal, while the adjustable head allows a directional beam.

Sustainable light solutions

- Energy saving
- High quality LED light
- Long operating life up to 10 years
- Warm white light

Designed for your garden

- IP23 – weather proof

Highlights

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

High quality LED light

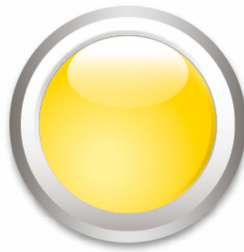

The LED light bulb, delivered with this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

Long operating life

A light source you can trust. The LED bulb, delivered with this Philips LED lamp, will last up to 10.000 hours (which equals 10 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambiance in your home.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

IP23 - weather proof

This Philips outdoor light is especially designed for humid outdoor environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This outdoor light is designed with IP23: it is protected against spraying water and ideal for lighting a veranda or a porch.

Specifications

Design and finishing

- Color: white
- Material: stainless steel
