Highlights

Powerful light

This Philips portable lantern provides powerful warm white light up to 350 lumen. This makes the ideal lamp to read outside, light up the barbecue, finish a job in the garden and many other outdoor activities.

Dimmable light

The portable lantern can be dimmed by simply pressing and holding the button. This way you can easily create the perfect mood for your outdoor space.

Candle mode

Want to create a unique ambience outdoors that is both decorative and enchanting? You can also turn the portable lantern into candle mode. Then it gives a warm glow and dynamic flicker.

USB chargeable

The portable lantern can be easily charged with any compatible USB. The USB cable is included.

Weather-proof IP44

This portable lantern is specially designed for outdoor use and is water-resistant.
