## Enjoy a beautiful garden with light

The Philips Astilbe wall lantern in aluminium adds style and strength to your wall. It distributes the light in 4 directions for a stunning wall-washing effect. All you have to do is enjoy your garden.

### Designed for outdoors

- High quality aluminum and superior synthetics

### Special characteristics

- Weather proof

### Enjoy your outdoor life

- Create a stylish and welcoming atmosphere

# Highlights

## High quality material

This Philips lamp is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high quality die-cast aluminum and superior synthetics.

## Create a stylish atmosphere

This outdoor wall light is designed around the latest trends and lifestyles to blend effortlessly into your outdoor space and define the ambiance you have always desired.

## Weather proof

This Philips outdoor lamp is especially designed for humid outdoor environments and has undergone rigorous tests to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This lamp is designed with IP44: it is protected against splashing water, this product is most common and ideal for general outdoor use.
