

PHILIPS

Extension cable for
outdoor use 5m

Hue

Extension cable

Length of 5m

Black

17424/30/VN

Plug in and light up your outdoors

The extension cable can be used to extend the space between the power supply and your first light point or to extend the space between lightpoints. Total maximum system length per power supply is 35 meters

Specially designed for your outdoors

- Easy to install and extend

Highlights

Easy to install and extend

Brighten up dark paths, create highlights in your landscaping, or create a unique ambiance on the patio. You can do it yourself, using Hue spots or bollards. The products are based on low voltage, safe to use and easy to install. No more complexity to get lighting outdoors: go create and extend as you like.
