Light and relaxed

Utilitarian in design, this Philips myLiving LED ceiling light White is suitable for both wall or ceiling. Made of metal and synthetics, its long-life LED produces energy saving warm white light. A combination of form and function.

Long lifespan

- Extremely long life 20,000 hours

Pure, natural light

- Warm white light effect

Premium quality

- Premium opal glass for reduced glare

Highlights

Extremely long life

A light source you can trust. Philips LED lights offer an extremely long-life of at least 20,000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13,000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or lamp replacement

while having the perfect light ambiance in your home.

Warm white light effect

Light up your home with warm white light effects thanks to the latest LED innovation. Philips introduces the latest generation of warm white light high power LEDs, reaching a colour temperature of 2700 Kelvin. This innovation brings the Philips lighting fixtures to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.

Premium materials

Premium treated glass for uniform light effect
