## Light and relaxed

The streamlined ultra flat disc of Philips myLiving Mesa LED suspension light Nickel made of metal and glass, connotes a hovering flying saucer. Energy saving with uniform warm white light, a perfect statement piece for your dinning space.

### Energy saving

- Built-in LED, as part of the system

### Pure, natural light

- Warm white light effect

### Premium quality

- Premium, sand-blasted glass for reduced glare
- Die-casted aluminum for a premium look and feel

# Highlights

## Integrated LED light source

A light source you can trust. With integrated LED light source, you won't have to worry about maintenance or lamp replacement while having the perfect light ambiance in your home.

## Warm white light effect

Light up your home with warm white light effects thanks to the latest LED innovation. Philips introduces the latest generation of warm white light high power LEDs, reaching a colour temperature of 2700 Kelvin. This innovation brings the Philips lighting fixtures to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.
