# Decorate your home with light

Take a moment to appreciate the light on your wall. The nickel-rimmed Philips myLiving Circle wall light projects its shine upwards for a nuanced, reflective glow. Enjoy the uniform warm white light in your room.

## Sustainable light solutions

- Energy saving
- Warm white light

# PHILIPS

# Highlights

## Energy saving

This Philips energy-saving lamp conserves energy compared with

traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

## Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

# Specifications
