Decorate your home with light

Made for illuminating paintings, the Philips myLiving Langston wall light arches gracefully over your favourite objects with its uniform, diffused light. The energy efficiency and long-lasting performance are other definite advantages.

Sustainable light solutions

- Compatible with in-wall dimmers
- Philips bulb always included
- Energy saving
- Warm white light

Highlights

Compatible with in-wall dimmers

Adjust the brightness of this Philips light with an in-wall dimmer (not included) to set the mood in the room, highlight a feature of your home and more.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Philips bulb always included

High-quality Philips light bulbs are included in the box for achieving the best light effect.
