

PHILIPS

Wall light

myLiving

Homroo

matt chrome

33178/17/16

Decorate your home with light

The Philips myLiving Homroo wall light projects its rays above and below, creating a serene effect on the wall. Save more energy than conventional lights.

Sustainable light solutions

- Compatible with in-wall dimmers
- Always a Philips bulb included
- Energy saving
- Warm white light

Highlights

Compatible with in-wall dimmers

Adjust the brightness of this Philips light with an in-wall dimmer (not included) to set the mood in the room, highlight a feature of your home, and more.

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Always a Philips bulb included

High quality Philips light bulbs are included in the box to achieve the best light effect.
