

PHILIPS

Wall light

myLiving

Velour

black

33200/30/16

Decorate your home with light

The Philips myLiving Velour wall light's fabric housing is as rich as the warm white light that floods your room. The energy-efficiency and long-lasting performance are other well-worth advantages.

Sustainable light solutions

- Always a Philips bulb included
- Energy saving
- Warm white light

Highlights

Always a Philips bulb included

High quality Philips EcoLamp energy efficient light bulbs are included in the box to achieve the best light effect.

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Specifications
