Decorate your home with light

Like a sail caught in a breeze, this delicate chrome wall light is gently curved outwards at the edges. It has an on/off switch and a fascinating shape. A bi-directional wash of light creates decorative light effects on the wall.

Sustainable light solutions

- Extremely long operating life
- Energy saving
- Philips offers a 5-year warranty on the LED module and driver

Advanced LED light

- Warm white light effect
- High Power LED
- Bi-directional diffused light effect
- Philips offers a 5-year warranty on the LED module and driver

Fit the lighting you really want

- Expressive and elegant forms, premium materials
- Multiple applications and finishes to suit your taste

Special characteristics

- On/off switch on article

Highlights

Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long-life of at least 20,000 hours (which equals 20 years on basis of an average use of 3 hours/day with at least of 13,000 on/off switching cycles). With the Philips LED lights, you won't have to worry about maintenance or lamp replacement while having the perfect light ambience in your home.

Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

Warm white light effect

Light up your home with warm white light effects thanks to the latest LED innovation. Philips introduces the latest generation of high-power LEDs, providing a warm white light reaching a colour temperature of 2700 Kelvin. This innovation brings the Philips lighting fixtures to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.

High Power LED

The LED module of this lamp is a uniquely developed solution by Philips, combining 3 LEDs in a synthetic and aluminium housing. This technique enables an optimal light output and a 100% uniform light colour.

Bi-directional light

This lamp combines functional decorative light with orientation light. The bi-directional light creates a nice silhouette on your wall or ceiling as well as a diffused light effect.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

Forms and materials

Offering multiple styles to blend perfectly into anyone's home, the Philips inStyle lighting fixtures are designed to match a wide range of interior decorations. With a range of applications and finishes available, they combine well with features such as curtains, furniture, paint and accessories to complete the look you want. Careful attention to detail and design help you to express your personal style and perfect your interior decoration, creating an inviting ambience that you and your friends and family will enjoy.

Multiple applications

If you enjoy design, and like to experiment with the latest styles and themes in your home, try Philips inStyle. It's a range of decorative suspension lights, wall lights, ceiling lights, floor and table lamps in

premium materials and different colours.

On/off switch on article

With the button discreetly integrated into the article, you can easily switch the light on and off.
