## Freshen up with beautiful natural light

The Philips myBathroom Drops wall light drips with simple perfection. With a high quality glass diffuser and chrome base, the handsome lamp shows skin in its correct color, while clearly illuminating the room.

### Sustainable light solutions

- Compatible with in-wall dimmers
- Always a Philips bulb included
- Energy saving
- Warm white light

### Special characteristics

- Vertical and horizontal wall mounting possible

### Designed for your bathroom

- True skin color with high quality light
- IP21, perfectly suited for your bathroom

# Highlights

## Compatible with in-wall dimmers

Adjust the brightness of this Philips light with an in-wall dimmer (not included) to set the mood in the room, highlight a feature of your home, and more.

## Always a Philips bulb included

High quality Philips light bulbs are included in the box to achieve the best light effect.

## Energy saving

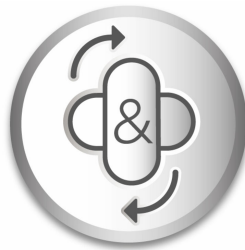

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

## Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

## Vertical and horizontal

This lamp can be installed vertically or horizontally, just the way you like it.

## True skin color

This Philips bathroom light makes colors reflect in a natural and accurate way. Just the way the sun would do.

## IP21 - bathroom safe

This Philips bathroom light is especially designed for humid environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This bathroom light is designed with IP21: it is protected against dripping water.

# Specifications

## Design and finishing

- Color: chrome
- Material: glass

## Extra feature/accessory incl.
