

- Full control from a smart device with the Hue bridge

Highlights

Water-resistant for bathrooms

The Philips Hue Adore series of smart bathroom lights have been rigorously tested to ensure that they are water resistant, making them ideal for humid environments. Each Adore bathroom light meets IP44 standards.

Enjoy the right smart lighting

Maximise the effect of your daily routines with tunable white light. Set the light to match different needs and moods in the bathroom with the press of a button. Get energised in the morning with cool daylight, use the bright light for tasks requiring precision,

use the reading light to enjoy a book in the bath or enjoy some me-time in the tub under the warm light.

Full control with the Hue bridge

Connect your Philips Hue lights with the bridge to unlock the endless possibilities of the system.
