TX1 Post top luminaire

# Traditional **design**, **performance** and **value** combine

**The Philips Hadco City Post LED post top luminaire** is an excellent choice for both new lighting installations and retrofit projects. An optimal balance of standard features and accessories results in a competitively positioned luminaire to address a variety of outdoor lighting projects, efficiently illuminating streets, parks, cities, campuses and city centers.

# City Post

## Post top LED luminaire

The Philips Hadco City Post LED post top luminaire is powered by the Philips LEDgine platform. CityPost can considerably reduce operating and maintenance costs while offering superior photometric performance. This IP66 lighting solution delivers a soft and diffused light at night which will contribute to the beautification of its surroundings with a decorative and traditional look and feel during the day.

*Prior to ordering, consult specification sheets for the most current information, notes, and exclusions.*
