Light up your wonderland

Framed by a flower with a mobile of fluttering butterflies, the Philips myKidsRoom Meria ceiling light will captivate your child's imagination. Let the soft shadows of this whimsical yellow flower light bring a smile to your child's face.

Sustainable light solutions

- Energy saving

Designed for your kids' room

- For kids

Designed for your living room and bedroom

- Warm white light

Highlights

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

For kids

This Philips child's room lamp creates an environment that encourages children to indulge in what they enjoy most: fun and creativity! But this lamp is also designed to be safe for your child: it is cool to touch and robust, and uses non-toxic paint.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.
