Decorate your home with light

The Philips myLiving Moselle suspension light surprises us with its cheerful personality in the form of an asymmetrical shade and blue inside. Made from quality metal that helps diffuse light to a warm glow, it soothes and delights.

Sustainable light solutions

- Always a Philips bulb included
- Energy saving
- Warm white light

Special characteristics

- The height of the pendant is easy adjustable

Highlights

Always a Philips bulb included

High quality Philips EcoLamp energy efficient light bulbs are included in the box to achieve the best light effect.

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Adjustable height

This Philips pendant light is delivered with long cables to offer you a maximum flexibility during and after installation. Choose the perfect height matching your needs.
