## Decorate your home with light

Fill the room with comfortable, warm white light. The full-bodied glow from this acrylic Philips myLiving Chu floor lamp gives an aura of sanctuary. The pillar of light also makes a bold decor statement.

### **Sustainable light solutions**

- Always a Philips bulb included
- Energy saving
- Warm white light

### **Special characteristics**

- On/off switch on cable

# Highlights

## Always a Philips bulb included

High quality Philips EcoLamp energy efficient light bulbs are included in the box to achieve the best light effect.

## Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

## Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

## On/off switch on cable

With the switch discreetly integrated onto the cable, you can easily switch the lamp on and off.
