Limitless possibilities

Connect the Philips Hue Ascend floor lamp to your Philips Hue system and enjoy scene-setting mood lighting and warm white task lighting. Designed to direct the light where you need it most.

Limitless possibilities

- Get in the mood with warm to cool white smart lights
- Play with smart color lights
- Sync your media to smart lights
- Smart lights to wake you up and help you sleep
- Connect to your Hue Bridge for full smart lighting control
- Direct light with angled floor lamp
- Control lights with your voice

Highlights

Get in the mood

Use over 50,000 shades of warm to cool white light to put you in the mood to work, play, or relax • no matter what time of day it is. Start your morning off on the right foot with cool, energizing bright white light, or settle down for the night with golden tones.

Play with smart color lights

There's no limit with Philips Hue: with over 16 million colors, you can transform your home into the perfect party venue, bring a bedtime story to life, and much more. Use preset, colored light scenes to evoke the feeling of summer any time you'd like, or use your own photo to relive a special memory.

Sync your media to lights

With the Hue Sync app and the Hue Bridge, you can bring your entertainment to new heights. Surround yourself with Philips Hue lights and turn on your movie, music, or game • and then watch your lights mirror the colors and rhythm.

Wake up and sleep

Set your lights to slowly brighten in the morning at a preset time to mimic sunrise and help you start your day feeling calm and refreshed. In the evening, the relaxing warm white lights will help you unwind, relax and prepare your body for a good night's sleep.

Connect to the Hue Bridge

This product requires a connection to the Hue Bridge to unlock the full smart control and features. Control your lights using the Philips Hue app, set timers, routines, add or remove lights and more. *Hue Bridge sold separately

Angled floor lamp

Direct the light from this smart floor lamp exactly where you need it. The head of the Ascend floor lamp is movable, allowing you to focus light wherever you'd like.

Control with your voice

When connected to the Hue Bridge, you can pair your lights with Alexa, Apple HomeKit, and the Google Assistant and control your lights using just your voice. Simple voice commands let you turn your lights on and off, dim or brighten your lights, and even set a light scene.
