Think Ledino, think design

Clean and simple in design, the Philips Galax wall light washes walls up and down with plenty of beautiful warm white light. The sleek square shape blends in with understated elegance.

Sustainable light solutions

- Energy saving
- High quality LED light
- Long operating life of up to 15 years
- Warm white light
- Philips offers a 5-year warranty on the LED module and driver

Highlights

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

Long operating life

A light source you can trust. The integrated LEDs used in this Philips LED lamp will last up to 15,000 hours (which equals 15 years on the basis of an average use of 3 hours/day with at least 13,000 on/off switching cycles). It feels so good to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

Specifications

Design and finishing

- Colour: white
- Material: metal

Extra feature/accessory incl.

- 5 year warranty on the LED module: Yes
- Bi-directional light beams: Yes
- LED integrated: Yes

Miscellaneous

- Especially designed for: Living Room and Bedroom
