Area light

Enhancing a sense of security for the long haul

The **Philips Stonco Area light** LED saves energy while creating well-lit outdoor spaces.

This stylish fixture features energy saving LED technology ideal for pole mounted applications. Area Light LED is available with Type 3, 4 and 5 distributions in two lumen packages, providing up to 26,000 lumens.

Ideal for parking lots, security lighting, and general purpose area lighting.

Area light LED

AL150/AL200

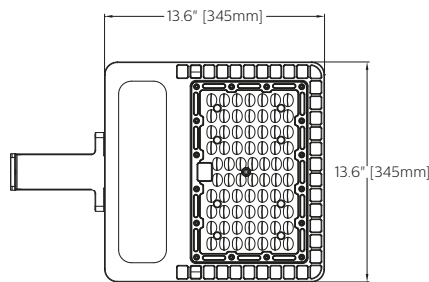

An easy switch to LED

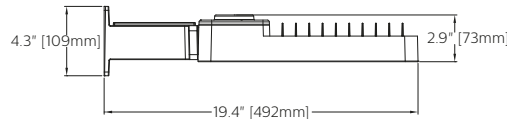

- Budget-friendly, high quality area lighting for parking and outdoor spaces.
- LED technology will save up to 68% energy over HID.*
- Mounts standard to round or square pole.
- Durable aluminum construction.
- Lifetime >54,000 hours.**
- 5 year limited warranty.

*Based on comparison between 250W PSMH (at 295W) and AL-150-NW-G1 at 147W.

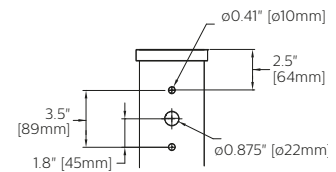

**Predicted performance derived from LED manufacturer's data and engineering design estimates, based on IESNA LM-80 methodology.
