- Energy saving
- Warm white light

Special characteristics

- On/off switch on article

Designed for your kitchen

- Accurate colors with high quality light

Highlights

Compatible with in-wall dimmers

Adjust the brightness of this Philips light with an in-wall dimmer (not included) to set the mood in the room, highlight a feature of your home, and more.

Always a Philips bulb included

High quality Philips light bulbs are included in the box to achieve the best light effect.

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

On/off switch on article

With the button discreetly integrated onto the lamp, you can easily switch the light on and off.

Accurate colors

This Philips kitchen light makes colors reflect in a natural and accurate way. Just the way the sun would do.
