Highlights

VariLume technology

Advanced electronic controller, for variablelight levels - at the flick of a normal switch

Coordinated range

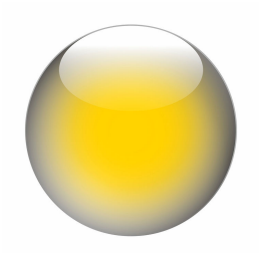

Complete range of coordinated designs available for you to choose.

Extremely long life

A light source you can trust. Philips LED lights offer an extremely long-life of at least 20,000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13,000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or lamp replacement while having the perfect light ambiance in your home.

Soft, reassuring night light

A warm glowing light to make you feel secure.

80% energy saving

Save up to 80% energy compared to your standard bulb. It pays for itself and saves you money year after year. So reduce your energy bill and start saving Now.
