

PHILIPS
Stonco

Wall Mount

Tall wall pack

Tall, brilliant & **full of life...**

The **Philips Stonco LED Tall wall pack** is an easy choice for almost any outdoor lighting location with durable illumination that was built to last.

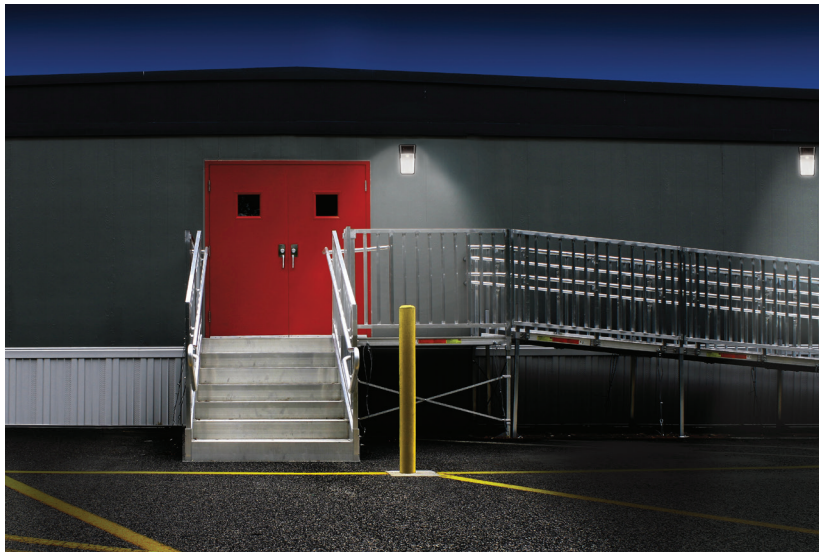

This lightweight and compact wall pack is only 20 watts, but equal to 70 watts of HID illumination, so you can count on serious energy savings. Installation is quick and easy, the Tall Wall Pack mounts to a standard 3 and a half or 4 inch j- box. The bronze housing is die cast aluminum and impact resistant polycarbonate, with a frosted lens. Combine that strength with a long LED lifetime and this wall mounted fixture is one you can count on.

Choose the Tall wall pack for your next project.

Tall wall pack LED

Wall Mount

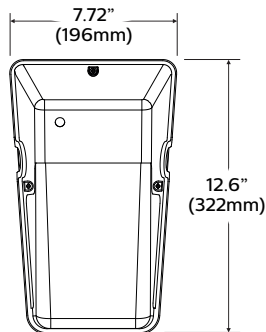

- Lightweight, compact and built to last.
- Provides up to 83% energy savings over 70W Metal Halide luminaires.*
- The bronze housing is die cast aluminum and impact resistant polycarbonate, with a frosted lens.
- Installation is quick and easy, by mounting to a standard 3 1/2 or 4" junction box.
- Rated for temperatures from -40 to 104°.
- Lifetime >100,000 hours.**
- 5 year limited warranty.

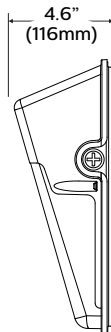

* Based on comparison between TW20 @ 20W and 70W Metal halide.

**Predicted performance derived from LED manufacturer's data and engineering design estimates, based on IESNA LM-80 methodology.
