- Adjustable light intensity with dimmer switch

Energy saving

- Built-in LED, as part of the system

Pure, natural light

- Bright cool white light

Energy efficient

- 80% energy saving, compared to traditional light sources

Highlights

Adjustable light angle Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion, whether a cosy meal ? deux or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

Integrated LED light source

A light source you can trust. With integrated LED light source, you won't have to worry about maintenance or lamp replacement while having the perfect light ambience in your home.

Bright cool white light

High power LED source

80% energy saving

Save up to 80% energy compared to your standard bulb. It pays for itself and saves you money year after year. So reduce your energy bill and start saving Now.
