Reliable desk lighting

Let the sleek Philips Geometry LED desk light be your favorite reading companion. Plug this detachable desk light into your USB power supply and enjoy ample illumination with its rotatable shade, in a soft chic silicon gooseneck design.

Sustainable light solutions
• Cool white light

Special characteristics
• Rotates freely in any direction
• On/off switch on article

Designed for your living- and bedroom
• Easy to assemble

Highlights

Cool white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips light offers cool white light that keeps you energised.

Rotates freely

You can rotate the lamp head of the Philips lighting fixture in the desired direction and bring light where needed.

On/off switch on article

With the button discreetly integrated onto the lamp, you can easily switch the light on and off.

Easy to assemble

The compact, modular elements slot together in minutes, and are easy to transport, carry and install.
