Place your light anywhere for a colourful ambience

Berry, a Philips portable light, is versatile and playful. Carry the product and place it anywhere you want, turn it on and select one of the 64 colours. Also great in combination with any LivingColors lamp.

Special characteristics

- dimmable
- Portable and long-lasting battery for complete flexibility
- Choose your colour
- Paint with light
- USB chargeable
- Easy on product control

Designed for your home office

- Candle mode

Highlights

dimmable

Adjust the brightness of the Philips LivingColors LED lamp as you like by using the remote control.

Portable and battery-operated

Battery-operated and compact, this Philips portable light can be easily carried and placed in any corner of your house. And it has a long-lasting battery of 6 hours on full brightness.

Choose your colour

Select your own favourite colour amongst the different pre-set colours or activate the colour loop to choose amongst the 64 available colours.

Paint with light

With the Philips Berry portable light, you can create a unique colourful ambience. Just place it wherever you like and point it towards a light-coloured wall to get the full experience. All the different colours blend naturally into your interior thanks to the diffused light effect with an output of 100 lumen.

USB chargeable

This Philips portable light can be easily charged with any compatible USB port, for example through your laptop or TV. The USB cable is included.

Easy on product control

With the discreetly integrated button, you can easily select a different colour and dim the lantern.

Candle mode

You want to create a unique ambience in a room, decorative and enchanting? You can also switch this Philips portable light to candle mode. This way it gives a warm glow and dynamic flicker.
