## Limitless possibilities

Take your smart light with you with the portable Hue Go. From a playful splash of color to a mood-setting dinner table centerpiece, the Hue Go makes it fun and easy to set the perfect light. Connect to the Hue Bridge for smart control.

### Limitless possibilities

- Play with smart color lights
- Sync your media to smart lights
- Smart lights to wake you up and help you sleep
- Connect to your Hue Bridge for full smart lighting control
- Control your light directly from the Hue Go
- A truly portable smart light
- Control lights with your voice

# Highlights

## Play with smart color lights

There's no limit with Philips Hue: with over 16 million colors, you can transform your home into the perfect party venue, bring a bedtime story to life, and much more. Use preset, colored light scenes to evoke the feeling of summer any time you'd like, or use your own photo to relive a special memory.

## Sync your media to lights

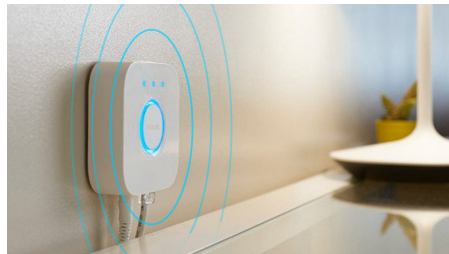

With the Hue Sync app and the Hue Bridge, you can bring your entertainment to new heights. Surround yourself with Philips Hue lights and turn on your movie, music, or game • and then watch your lights mirror the colors and rhythm.

## Wake up and sleep

Set your lights to slowly brighten in the morning at a preset time to mimic sunrise and help you start your day feeling calm and refreshed. In the evening, the relaxing warm white lights will help you unwind, relax and prepare your body for a good night's sleep.

## Connect to the Hue Bridge

This product requires a connection to the Hue Bridge to unlock the full smart control and features. Control your lights using the Philips Hue app, set timers, routines, add or remove lights and more. \*Hue Bridge sold separately

## Control your light from Hue Go

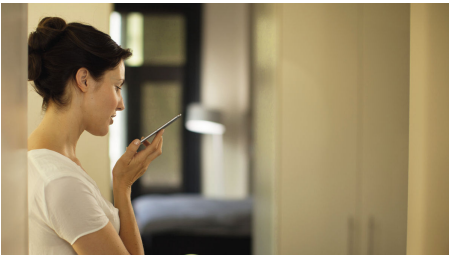

You don't need an app to control Hue Go. Simply press the button on the portable smart light to choose from seven different light effects • cool energizing daylight, warm relaxing light, and the five dynamic light effects • or tap and hold the button to quickly cycle through colors.

## A truly portable smart light

The Hue Go portable smart light can truly go wherever you want. Unplug it from the wall outlet and the light still shines bright thanks to its built-in, rechargeable internal battery. Enjoy up to three hours of brilliant smart light, controlled by either the button or via the Hue app.

### Control with your voice

When connected to the Hue Bridge, you can pair your lights with Alexa, Apple HomeKit, and the Google Assistant and control your lights using just your voice. Simple voice commands let you turn your lights on and off, dim or brighten your lights, and even set a light scene.
