Highlights

Convenient on-base switch

On-base switch let you turn on and off the product easier, without hassle to find the wall switch.

Easy intensity control

Easy light level adjustability

Adjustable light angle Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion, whether a cosy meal ? deux or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

Integrated LED light source

A light source you can trust. With integrated LED light source, you won't have to worry about maintenance or lamp replacement while having the perfect light ambience in your home.

80% energy saving

Up to 80% energy saving compared to standard incandescent light sources.

Scientific light distribution
