Enhanced desk lighting because comfort matters

Philips LED desk light Crane is equipped with Honeycomb optical lens that provides clarity of brightness and is designed to help reduce glare. Its intuitive slide dimmer and USB charger provides comfort and convenience at your fingertips.

Easy to Experience

- Flexible directional light
- Built-in USB port
- Honeycomb lens technology

Advanced LED light

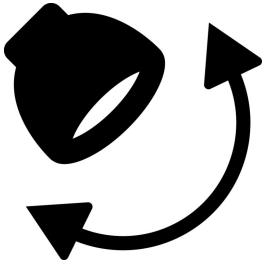

- Energy efficient & longer lasting
- LED technology

Control

- 5-level slide dimming
- Switch on-base

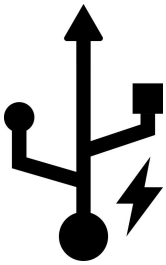

Highlights

Flexible directional light

Luminaire allows you to change the direction of your light to suit your needs.

Built-in USB port

Multi functional Philips desk light comes with built in USB ports for you to charge your smartphones and other devices for added convenience.

Honeycomb lens technology

Light is diffused through an array of multiple micro honeycomb lenses, to create a uniform light output that reduces indirect glare and provides comfortable light.

Energy efficient

Philips energy-saving bulbs help to conserve energy and save electricity bills while doing your bit for the environment.

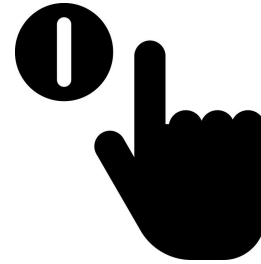

LED technology

LED product ensures minimal heat emission, to make it safe to handle, and cool to touch.

5-level slide dimming

Intuitive 5-level slide brightness gives you greater light control to create the light ambiance that you need.

Switch on-base

The switch of this luminaire is located on the base, conveniently within reach.
