# PHILIPS

# Highlights

## Tilt to turn on and off

Light up the night by simply turning the SoftPal. The LED light inside will switch on and off with every tilt of the hand.

## Battery-operated - 2 x AAA

This light works on 2 AAA batteries. All batteries of this size will work. Do not mix different types of batteries; always use the same type. The batteries are not included in the box.

## Automatic switch off

The SoftPal playful light friend will automatically switch off after 5 minutes to save battery life.

## High quality LED light

The LED technology, integrated into this light, is a uniquely developed solution by Philips. While instantly turned on, it enables optimal light output and brings out vivid colours in your kid's room.

## Cool to the touch

This light is completely safe for children because it is made of child-friendly materials and uses LED light, which is always cool to touch.

## For kids

This Philips and Disney light for your child's bedroom creates an environment which encourages children to indulge in what they enjoy most – fun and creativity! A place where your child can study, play and sleep accompanied by their favourite Disney character. This light is designed to be safe for your child.

## Durable and drop-proof

This light is durable and drop-proof, does not have sharp edges and is made out of durable materials. Making sure your kids will have imaginative moments without any worries.

## Night time companion

The SoftPal can be used as a portable guide light during nightly walks to the bathroom or the parent's bedroom.

## Soft to touch

The SoftPal is a soft and squeezable cuddly light friend.
