PHILIPS

Highlights

For Star Wars fans

This Philips and Star Wars light for your bedroom creates an environment that encourages you to indulge in adventurous and epic adventures. A place where you can study, relax and sleep accompanied by your favourite Star Wars character. This light is designed to be safe for you.

Night time companion

The Philips and Star Wars torch guides you during adventurous night walks to the bathroom or to any other area in the house. The epic design is shaped to be easy and comfortable to hold.

Creates adventurous ambience

This Philips and Star Wars portable light for your bedroom combines a night light with a magical image projector. The night light makes you feel safe at night, while the projector brings your favourite Star Wars characters to life on the wall or ceiling. This unique 2-in-1 light takes bedtime routines and story telling to a higher level. With the two-way switch integrated on the lamp, you can easily switch between the night light and the magical image projector.

On/off switch on article

With the button discreetly integrated on the fixture, you can easily switch the light on and off.

Battery operated - 3 x LR44

This light works on 3 LR44 1.5V batteries. All batteries of this size will work. Do not mix different types of batteries; always use the same type. The batteries are included in the box.

Extra image wheels included

This Philips and Star Wars light comes with 3 wheels, each consisting of 8 different images to stimulate your imagination.

High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lights with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This light offers warm white light for a cosy atmosphere.
