PHILIPS

Highlights

On/off switch on article

With the button discreetly integrated on the fixture, you can easily switch the light on and off.

Battery operated - 3 x AA

This light works on 3 AA batteries. All batteries of this size will work. Do not mix different types of batteries; always use the same type. The batteries are not included in the box.

Automatic switch off

The table lamp will automatically switch off after 15 minutes to save battery lifetime.

High quality LED light

The LED technology, integrated into this light, is a uniquely developed solution by Philips. While instantly turned on, it enables optimal light output and brings out vivid colours in your kid's room.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lights with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This light offers warm white light for a cosy atmosphere.

Cool to the touch

This light is completely safe for children because it is made of child-friendly materials and uses LED light, which is always cool to touch.

For kids

This Philips and Disney light for your child's bedroom creates an environment which encourages children to indulge in what they enjoy most – fun and creativity! A place where your child can study, play and sleep accompanied by their favourite Disney character. This light is designed to be safe for your child.

Durable and drop-proof

This light is durable and drop-proof, does not have sharp edges and is made out of durable materials. Making sure your kids will have imaginative moments without any worries.

Soft ambience creation

This portable table lamp is compact and can easily be placed next to the bed or on a desk to create a magical ambience.
