Designed with aesthetics in mind, the Philips Lever LED desk light Silver with 4-step dimming has a streamlined aluminum arm with a rotatable shade that lets you direct light to where you need it most.

### Easy to Experience

- Adjustable light angle

### Advanced LED light

- Adjustable light intensity with dimmer switch

### Energy saving

- Built-in LED, as part of the system

### Pure, natural light

- Bright cool white light

### Energy efficient

- 80% energy saving, compared to traditional light sources

# Highlights

## Adjustable light angle Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion, whether a cosy meal ? deux or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

## Integrated LED light source

A light source you can trust. With integrated LED light source, you won't have to worry about maintenance or lamp replacement while having the perfect light ambience in your home.

## Bright cool white light

High power LED source

## 80% energy saving

Save up to 80% energy compared to your standard bulb. It pays for itself and saves you money year after year. So reduce your energy bill and start saving Now.
