Highlights

Mount behind your TV

Mount the Philips Hue Play smart light bar behind your screen using the included clips and double-sided tape to instantly create beautiful backlighting in the color of your choice.

Amp your entertainment

Immerse yourself in your movie, game, or music with the magic of light. With millions of colors from which to choose and countless lighting options, you can turn any living room into a private cinema • all you need to bring is the popcorn!

Display Hue Play your way

The Philips Hue Play light bar can be mounted to a wall or TV, laid flat on any surface, or stood upright. A versatile smart light, it makes the perfect accent piece for any living room, entertainment space, or media room.

Decorate with smart lights

Transform the atmosphere of your home with just the touch of a button. Use over 16 million colors and 50,000 shades of cool to warm white light to create special moments, set the mood for a party, or simply wind down for the evening.

Connect 3 Hue Play light bars

Hue Play won't add to a jumble of wires behind your TV or hog too many outlets • you can connect three Hue Play smart light bars to the same power supply unit, leaving you more than enough room for all your other devices.

Connect to the Hue Bridge

This product requires a connection to the Hue Bridge to unlock the full smart control and features. Control your lights using the Philips Hue app, set timers, routines, add or remove lights and more. *Hue Bridge sold separately
