Take to the fairy-tale skies in a plane and light up the imaginative world. The Philips myKidsRoom Yumbo pendant sparks inspiration and play in your children's minds as it hovers overhead. Up, up and away!

Sustainable light solutions

- Adjustable light intensity with dimmer switch
- Philips bulb always included
- Energy saving
- Warm white light

Special characteristics

- The height of the pendant is easy adjustable

Designed for your kids' room

- For kids

PHILIPS

Highlights

Dimmable

Adjust the light intensity of this Philips light with a dimmer switch (not included). This makes the light ideal for highlighting a feature or creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room.

Philips bulb always included

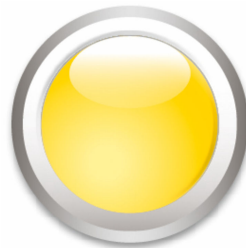

High-quality Philips light bulbs are included in the box for achieving the best light effect.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Adjustable height

This Philips pendant light is delivered with long cables to offer you maximum flexibility during and after installation. Choose the perfect height to meet your needs.

For kids

This Philips child's room lamp creates an environment that encourages children to indulge in what they enjoy most: fun and creativity! But this lamp is also designed to be safe for your child: it is cool to touch and robust, and uses non-toxic paint.

Specifications
