Hue White and Colour
Ambiance

3 x E27 Bulb

White and coloured light

Dimmer switch included

Hue Bridge included

8718696728796

Limitless possibilities

Add ambient colour to any room with the Philips Hue White and colour ambience starter kit. This kit includes three E27 colour smart lamps, the Hue Bridge and the dimmer switch. Take control of your lights and discover endless smart features.

Limitless possibilities

- Get in the mood with warm to cool white smart lights
- Play with smart colour lights
- Away-from-home smart light control
- Sync your media to smart lights
- Smart lights to wake you up and help you sleep
- Smart home automation hub: Hue Bridge
- Control lights with your voice
- Wireless control with included dimmer switch

Highlights

Get in the mood

Use over 50,000 shades of warm to cool white light to put you in the mood to work, play, or relax — no matter what time of day it is. Start your morning off on the right foot with cool, energising bright white light, or settle down for the night with golden tones.

Play with smart colour lights

There's no limit with Philips Hue: with over 16 million colours, you can transform your home into the perfect party venue, bring a bedtime story to life and much more. Use preset, coloured light scenes to evoke the feeling of summer any time you'd like, or use your own photo to relive a special memory.

Control lights away from home

The Philips Hue app gives you complete control over your lights, even if you're not at home. Switch your lights off and on remotely using just the app to ensure your home is always lit the way you want it.

Sync your media to lights

With the Hue Sync app and the Hue Bridge, you can bring your entertainment to new heights. Surround yourself with Philips Hue lights and turn on your film, music or game, and then watch your lights mirror the colours and rhythm.

Wake up and sleep

Set your lights to slowly brighten in the morning at a pre-set time to mimic sunrise and help you start your day feeling calm and refreshed. In the evening, the relaxing warm white lights will help you unwind, relax and prepare your body for a good night's sleep.

The Hue Bridge

The Hue Bridge is an essential component to a personal Philips Hue smart lighting system. It is the brains of the operation, communicating with both your smart light lamps and the Hue app to ensure that everything works together. It also enables smart home automation features like scheduling routines and timers.

Control with your voice

When connected to the Hue Bridge, you can pair your lights with Alexa, Apple HomeKit, and the Google

Assistant and control your lights using just your voice. Simple voice commands let you turn your lights on and off, dim or brighten your lights, and even set a light scene.

Wireless control

With the battery-powered dimmer switch, you can control up to 10 smart lights simultaneously. The switch – which can be removed from its wall mount and used as a remote control – allows you to dim and brighten your lights or cycle through four preset light recipes

Specifications

Lamp dimensions

- Dimensions (WxHxD): 60x110x60

Environmental

- Operational humidity: 5% <H<95% (non-condensing)
- Operational temperature: -10°C – 45°C

Guarantee

- 2 years: Yes

Power consumption

- Energy efficiency label (EEL): A+

Service

- Warranty: 2 year(s)

Technical specifications

- Weight: 72
- Bulb technology: LED

The Bridge

- Frequency band: 2400–2483.5 MHz
- Height: 26 mm
- Max. number of accessories: 12
- Max. number of bulbs: 50
- Power adapter: 100–240 V AC / 50–60 Hz
- Power consumption: 250mA max

The bulb

- Colour temperature: 2000K–6500K +16 million colors
- Diameter: 62 mm
- Energy efficiency label: A+
- Fitting: E27
- Form factor: A60
- Height: 110 mm
- Input voltage: 220V–240V
- Lifetime: 25,000 h
- Light output: >80 CRI @ 4,000 K
- Lumen output: 806 lm @ 4000K
- Max. operation power: 9.5 W
- Max. standby power: 0.2 W
- Number of switching cycles: 50,000
- Power factor: >0.5
- Rated lifetime: 25,000 h
- Software upgradable: Yes
- Start up: Instant 100% light output
- Wattage: 10 W
- Wattage equivalent: 60 W
- Communication protocol: Zigbee
- Software upgradable: When connected to Hue Bridge

The switch

- Batteries included: 1 x CR2450
- Frequency band: 2400-2483,5 MHz
- IP rating: 20
- Lifetime: 50.000 clicks
- Max. lights per switch: 10 if not linked to Hue bridge
- Minimal battery lifetime: min 3 a
- Mounting options: freestanding
- Special features: Not applicable
- Switch depth: 11 mm
- Switch height: 92 mm
- Switch width: 35 mm
- Wall plate depth: 14 mm
- Wall plate height: 115 mm
- Wall plate width: 70 mm
- Weight including wall plate: 67 g

- Weight of switch: 37 g
- Zigbee Light link: IEEE 802.15.4 Protocol

What's in the box

- Bridge: 1
- Ethernet network cable: 1
- Hue bulbs: 3
- Hue dimmer switch: 1
- Power adapter: 1

What's supported

- HomeKit compatible: Yes
- iOS: 7 or later
- Philips Hue App: Android 7.0 and later
- Voice assistants: Amazon Alexa
