## Dual pack GU10

Hue White

2 x GU10

Warm white light

Dimmable

Smart control with Hue Bridge\*

8718699605537

## Automate your lights

Expand your smart lighting system and get a comfortable, warm white glow with these 2 fully dimmable Philips Hue White GU10 lamps. Connect to the Hue Bridge to unlock the full smart lighting control and features.

### Limitless possibilities

- Away-from-home smart light control
- Come home to a house filled with light
- Make it look like you're home with smart lights
- Connect to your Hue Bridge for full smart lighting control
- Control lights with your voice
- Installation-free dimming

# Highlights

## Control lights away from home

The Philips Hue app gives you complete control over your lights, even if you're not at home. Switch your lights off and on remotely using just the app to ensure your home is always lit the way you want it.

## Connect to the Hue Bridge

This product requires a connection to the Hue Bridge to unlock the full smart control and features. Control your lights using the Philips Hue app, set timers, routines, add or remove lights and more. \*Hue Bridge sold separately

## Come home with light

Set your Philips Hue app to recognise when you're almost home. Before you even step out of your car or walk up the path, your selected smart lights turn on automatically.

## Control with your voice

When connected to the Hue Bridge, you can pair your lights with Alexa, Apple HomeKit, and the Google Assistant and control your lights using just your voice. Simple voice commands let you turn your lights on and off, dim or brighten your lights, and even set a light scene.

## Make it look like you're home

Use the Philips Hue app to schedule light routines whenever you're away. Your smart lights will turn on at the times you've selected, and sometimes a few minutes before or after, to truly mimic your presence in the house.

## Installation-free dimming

Experience guaranteed smooth dimming with Philips Hue. Not too bright. Not too dark. Just right. No need for wires, an electrician or installation

# Specifications

## Lamp dimensions

- Dimensions (WxHxD): 50x58x50
