Highlights

Gentle LEDs, easy on the eyes

It's easy to see how harsh lighting can strain the eyes. Too bright, and you get the glare. Too soft and you experience

flicker. Now you can gently light up your world with LEDs designed to go easy on the eyes, and create the perfect ambience for your home.

High quality material [Chord]

This beautiful fabric covered cord ensures your lamp hangs straight when installed. The matt satin finishing of the metal socket enhances the antique look of any bulb.

Adjustable cord length [Cord]

Cord is fully adjustable for various heights giving the flexibility to arrange a stylish dynamic combination of suspension lighting above your kitchen island and dining table.

Vintage range

The Philips Vintage collection is available in an array of giant shapes, candles and other familiar form factors, to provide a seamless fit across your space.
