Highlights

Best dimmability

This lamp can be used in combination with all dimmers and will not only turn down the light to 0% but also create a cosy atmosphere as you are used to with your incandescent.

Halogen contrast for focus

With bright halogen light, contrasts get richer, letters become sharper and visibility gets better. Bright light is more relaxing for your eyes for a better focus.

Bright, sparkling light

Clear halogen is a sparkling light, giving beautiful reflections where it shines, and sharp shadows where it doesn't. Philips halogen lamps give decorative light effect to your room, to bring your room to life.

Small size

The capsule gives high-intensity light with a clearly directional beam in an extremely small size. It is perfect for modern and stylish light fixtures at home.
